Soaps

Sacred Rose + Colloidal Silver Organic Avocado Soap 4oz | acne | eczema | psoriasis | sulfate free | no parabens

Our soaps mildly moisturize while they cleanse with 100% Natural and Organic Ingredients. The oils of coconut, avocado, and olive blend with mango and shea butter for optimized hydration of the skin. Colloidal silver offers anti-microbial properties and gives the soap an antibacterial and antifungal impact effective in treating acne, blemishes, rashes, and fungal skin conditions. Roseclay, a natural occurring mineral substance, has the unique properties of absorbing impurities such as dirt, make-up and oil, drawing them to the surface of the skin to be washed away. Therefore, it acts as an exfoliant and a cleanser. People who have sensitivity to acid based exfoliants may fare better with the gentle exfoliation of rose clay. Using this soap will leave the complexion looking fresh and youthful, and reduce the appearance of clogged pores. It can be drying to some, so following with the Rose Water Toner and one of our oils or serums is highly recommended for a well rounded skin care regimen.
